

Liste des modèles SUZUKI équipés d'airbag de 1995 à 2019

Constructeur : SUZUKI

Mise à jour : 01/08/2026

Modèle de véhicule	Airbag (type)	Airbag (conducteur/passager)	Marque du générateur	Modèle de générateur	Type de générateur	Propergols utilisés dans le générateur	Caractéristiques utiles du générateur	Classe de température du véhicule	Estimation de durée de vie sûre du générateur	Rappel (oui/non)	Nombre de générateurs de gaz rappelés restant potentiellement à remplacer
